400/335 HP	Automatic	White	Blue

The first Pontiac Trans Am was quietly introduced in 1969 with little fanfare and virtually no advertising, resulting in just 697 units sold, but the Trans Am's contribution to the muscle-car genre echoes still today. With the exception of factory specials, the rarest of all first-generation Pontiac Firebirds are the eight Trans Am convertibles built in 1969, which have become increasingly valuable over time. One of those eight is offered here in this marvelously restored example finished in trademark Cameo White, with Tyrol Blue T/A stripes and badges, a matching blue interior and white top. Since 2001 it has been the touchstone of Robert Lozins' incredible collection of rare '60s Pontiac muscle cars, and it is widely acknowledged as one of the finest examples of the first-year Trans Am.

Like its rivals, Ford's Mustang Boss 302 and Chevrolet's Camaro Z28, the Firebird Trans Am was packaged and marketed to attract fans of the SCCA's wildly successful Trans American Sedan Championship, even to the extent that Pontiac general manager John DeLorean paid a five-dollar
